At Gaytonwood Training Field, Blisworth Road, Gayton, Northampton

By kind permission of Mr J and Mrs R Huckerby

Judges Laura Marsh, Chris Marchant, Pam Marchant, Sarah Flemming

MORNING SESSION for Special Beginner AV Gundog 9.30 start.

Definition: This is to give those new to Gundog training the opportunity to 'Have a Go' at a simulated test in order to give them confidence and to test out their training. There will be four tests and the handlers will be given details of the individual tests on receipt of their entry to allow them to practice the skills prior to the day. This will make it fair for all competitors and is meant to build confidence and be an enjoyable morning out. The judges will be supportive and give encouragement and advice to anyone totally new to Working tests. There may be a further test if there is time or to decide the final placing.

Definition: The dog or handler to never have been placed or gained any award in a KC Gundog Working Test or Field Trial. This is not held under KC rules and regulations and so dogs do not need to be registered with the Kennel Club but we need the form filled in with the dogs pet name and the handlers details. Details of the tests and directions will be sent on receipt of the entry.

AFTERNOON SESSION – starting not before 12.30 will be an AV Retriever Novice Dog/Novice Handler Gundog Working Test run under Kennel Club Rules and Regulations.
